Dear Clients,

Spring is officially here which means there are signs of rebirth and renewal all around us! This is an exciting month full of changes, and I am excited to announce a few of my own, as my massage therapy business grows. Beginning April 1, Relax Station Massage Therapy will be renamed *Rooks Healing Arts*. This name is more inclusive of what I will be offering my clients.

Receiving a massage will promote your well-being, and it's also one of life's simple luxuries! No matter if you're getting a massage to help you relax physically, to take a mental retreat, or both, incorporating Young Living essential oils can help you enhance any massage experience. As an Executive level with Young Living, I am able to offer a way for you to purchase the oils that I use, and provide additional education for those who are interested in learning more.

Besides announcing a new business name, I will also have a new location! As of April 1, Rooks Healing Arts will be located with the Body Synergy Wellness Center at 510 East Gay Street in Warrensburg. I am excited about partnering with Dr. Vohn Watts in this new location, and I know you will love the space as well. Appointments scheduled for April 1 and beyond will be held at 510 East Gay Street.

Lastly, I will be moving to a new pricing structure on April I. But not to worry- my rates will rise a bit, but still remain very affordable. It is important to me to keep up with industry standards, but also provide value to my clients. For appointments booked before April I, the price increase will *not* apply. For *new* appointments booked on April I or later, my pricing structure will be:

30 minute massage—\$30 75 minute massage—\$75 60 minute massage—\$60 90 minute massage—\$90

I am so thankful for all of my clients and I'm excited for this new chapter to begin! Be on the look out for my new website launch at www.rookshealingarts.com- I think you will enjoy the ease of scheduling appointments and other new updates. If you have any questions or concerns, please reach out to me and I'll be glad to talk with you. Thank you for all of your support and I hope to see you at an appointment soon!
